

Lara Mihelin

B.Sc in Information Technologies

Address: Elsasstr., Aachen, 52068 , Germany

Nationality: Croatian

Phone number: +49 1777217 028

Date of birth: 07.11.2002

E-mail: 555laramihelin@gmail.com

PROFILE

I am a data-driven analyst with experience in KPI tracking, user behavior analysis, and performance evaluation. My work has included building dashboards, analyzing large datasets, and conducting A/B tests to support data-driven decisions and optimize digital performance.

In addition, I have a strong interest in web development and UI/UX. I have completed several personal projects and designed websites for small businesses, combining analytical thinking with creative problem-solving and technical implementation.

EXPERIENCE

Data Analyst

FAQ Europe

November 2023 - December 2025

- Developed and maintained automated SQL pipelines to extract, transform, and analyze data across multiple databases, eliminating manual reporting and improving data availability and accuracy for stakeholders
- Built weekly subscription and revenue dashboards using Recurly data, delivering clear visibility into churn, renewals, and MRR trends to support commercial and retention strategies
- Analyzed website traffic and user behavior using Google Analytics, generating insights that informed campaign optimization, content strategy, and conversion improvements
- Planned, executed, and monitored email marketing campaigns in Salesforce Marketing Cloud, including A/B testing and performance tracking, resulting in higher engagement rates and improved deliverability

Barista

McCafe

June - November 2023

- Preparation and serving of hot and cold coffee specialties according to McCafé standards
- Cleaning and maintenance of coffee machines, counters, and work areas
- Efficient handling of customer orders while providing friendly and fast service
- Restocking supplies, monitoring inventory, and supporting general restaurant operations
- Opening and closing shifts
- Baking pastries before store opening
- Cleaning of all equipment and areas, experience with all cleaning procedures

Telesales Agent

Hrvatski Telekom d.o.o

June - October 2022

- Assessed customer needs in real time and recommended tailored mobile, internet, or TV packages, leading to higher acceptance rates and reduced customer hesitation during sales calls
- Handled customer objections and competitor comparisons professionally, improving call effectiveness and customer satisfaction while supporting overall sales performance targets

EDUCATION
